MEMORANDUM FOR: Assistant Director, National Estimates

25X1A9a

ATTENTION: [REDACTED]

SUBJECT: Transmittal of CIA/RR-GR-145, dated 20 February 1957

1. Transmitted herewith are ten copies of CIA/RR-GR-145, An Appraisal of Soviet Plans to Remain in the Antarctic After the IGY and of the Reported Establishment of a Submarine Base, dated 20 February 1957, as requested.

2. The report has been coordinated at the working level with ONI and CIA/OSI. Except for final draft copies of the report given to the coordinated offices, and one copy forwarded to the DD/I no other distribution is planned at this time by this office. This Geography Division feels, however, that the report would be of interest to an extensive list of agencies who had requested previous Division reports on Antarctica. Your comment on this additional dissemination would be appreciated.
